CLUB UPDATES

End of Summer Camp

Dear Parents,

We are at the end of this great summer! We want to let you know that the last day of camp is August 26th. Also, all our sites will be closed **from Monday, August 29th, to Friday, September 9th**. We will be re-opened **on September 12th** for programming!

Building Leaders for Change

Building Leaders for Change (BLFC) is a grassroots program for children and youth in Regent Park dedicated to raising leaders in the community and beyond.

We provide our participants with a safe space to grow, learn, and sharpen their leadership qualities by giving them the resources and guidance to create the change they want to see in their community.

BLFC strives to expand the perspectives of our participants by taking them outside of the community on meaningful excursions that introduce them to new things and ways of life different from their norms. We are a grassroots program dedicated to building leaders for change in Regent Park.

PROGRAM UPDATES

BGCTK Goes to the Zoo

Another trip day! This trip was to the Toronto Zoo. Our kids had a fantastic time seeing the different animals. Enjoy the photos, and stay tuned for the next field trip day!

Bike Donations

Last month Pizza Nova and Leaders institute partnered up and donated 20 bikes to BGCTK. We are beyond grateful, and the kids love their new bikes. Take a look at some pictures down below!

Gardening Club

This summer, we had the pleasure of having one of our staff teach our youth about gardening. Our youth had a great time learning the basics of the world of gardening and learned excellent skills. Enjoy some photos of them enjoying their time!
