Daylight Savings Day

Dear Parents,

We would just like to remind you that Sunday November 6th will be Daylight Savings Day. Please remember our clocks will be put back an hour!

Truth and Reconciliation Day

National Day of Truth and Reconciliation, also known as Orange Shirt Day, commemorates the thousands of First Nations, Métis, and Inuit children who were removed from their homes at the end of summer and forced to attend residential schools. BGC staff and members from coast to coast wear orange shirts and host events as part of our Reconciliation efforts to remember residential school survivors.

Holiday Hamper Information

For more than 20 years, BGC Toronto Kiwanis has been providing holiday support to its members and families with the assistance of corporate sponsors and individual donors.

With the help of these honourary elves, we are able to provide toys and gifts, clothing, household and hygiene items, food vouchers and other wish list items for families, children and youth that may otherwise go without.

In 2021, our Holiday Hamper program had over 200 corporate and individual donors, and we were able to provide support to **300+** children and youth across all our sites!

This year, I anticipate the need for assistance will be higher than last year due to daily cost of living and inflation of everyday needs and basic necessities. BGCTK will do our best to ensure all families that register for this program receive some level of support.
